

SCHOOL NURSE

Are you eager to drive significant change in the educational and holistic well-being of children from under-resourced communities in South Africa?

Christel House SA is expanding to meet the growing need for educational equity in South Africa. We are opening a new High School on our Ottery campus in 2025.

Christel House South Africa is a non-profit school which provides no-fee scholarships to students from some of Cape Town's most under-resourced neighbourhoods and supports them for 19 years (Grade RR to Grade 12 and five years post-matric) through character-based and career-focused education. The main criterion for admission to Christel House is not evidence of talent, but evidence of poverty. Despite facing significant challenges, our students excel. We have an impressive 99% matric pass rate since inception and 97% of our alumni are studying, working, or doing both. Key aspects of Christel House's model include poverty mitigation services in the form of daily transport to school and back, professional health care, nutritious meals, psychosocial counselling, family assistance, and college and career planning and support. Christel House manages nine schools around the world of which the centre in Cape Town, established in 2001, is the only centre in Africa. Join our dedicated team and be part of a global movement.

Our school offers a unique educational environment where technology, innovation, and passion for teaching merge to create a transformative learning experience.

About the position: Christel House South Africa is looking for a caring and creative health professional with a can-do attitude, who can engage fully with the spirit and ethos of Christel House South.

Suitably qualified Registered Nurses OR Enrolled Nurses registered with SANC are invited to apply for this opportunity which has arisen in our organization, based in Cape Town. The school clinic serves Junior & High School learners who may be experiencing a broad range of challenges such as family relationship difficulties, anxiety, behavioural difficulties, family violence, or other forms of trauma.

Working closely with the nursing, psychosocial, and educational teams, the Enrolled Nurse plays a key role in ensuring that clinical processes, communication and learner-focused care is in alignment with CHSA's mission.

Qualifications & Professional Registration

Registration with the SANC, (valid SANC receipt)

Other Relevant Requirements

- At least 5 years of experience after enrolment with SANC
- Valid Driver's License & practical driving experience
- Cleared probity checks (police clearance) to work with students in a school setting.
- Familiarity with child health services and South African regulations
- Experience in schools, healthcare, community development or NGO setting
- Proficient in Microsoft Office, data entry platforms and/or ERPs

Application Process: Applications close on 20th March 2026

Please send your comprehensive CV, clearly indicating relevant experience to recruit@sa.christelhouse.org. Ensure the subject line reads: **School nurse**.
